Attorney's Docket No.: 00216-552001 / H-245 (Kay
32)

PRELIMINARY REMARKS

Applicants have amended claim 1 to specify that the composition is applied to the skin at least once or twice a day for at least two days, as described, for example, on page 7, lines 5-29 of the application. The amendments clarify that the method is not a depilatory procedure, in which a composition generally is (1) applied once to the skin, and (2) dissolves and destroys the hair during that one application.

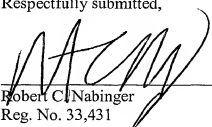

Applicants submit that the claims remain in condition for allowance.

Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,
